DIFFERENTIATORS

- **AWS D1.1 Certified Field Welding** — Inspection-ready welds aligned to Federal and State QA/QC requirements, reducing rework and keeping projects on schedule.
- **Rapid Mobilization for Critical Repairs** — Fast response for outages, emergencies, and short-notice task orders; work completed on site with minimal disruption.
- **Full Mobile Fabrication Capability** — Equipped rig brings cutting, fit-up, structural welding, aluminum, stainless, and pipe welding directly to the agency's facility.
- **SWaM-Certified Virginia Vendor** — Helps agencies and primes meet SWaM, small business, and subcontracting participation goals immediately.
- **Proven Performance With Government & Primes** — Trusted by SOCOM, KPI Solutions, CNU, ODU, and multiple municipal clients for reliable, high-quality welding work.
- **Experience Across Structural, Marine, and Industrial Environments** — Able to perform in diverse conditions, from waterfront assets to facilities, utilities, and heavy equipment.
- **Clear Communication & Documentation** — COI, WPS/WPQR alignment, safety JSAs, UEI/CAGE, and all required procurement documentation provided without delay.
- **Flexible, Small-Business Responsiveness** — Direct access to the owner-operator ensures faster decisions, cleaner coordination, and better accountability than large competitors.
